

Sangenís i Vaqué winery has 15ha of vineyards in production which are divided between three parcels:

### Coranya

Planted in 1978 with grenache and carignan. Slate mixed with river stone. Oriented to the north.

### La Cometa

Planted in 1995 with grenache, carignan, cabernet sauvignon, merlot, and syrah. Grey and orange slate. Oriented to the south. There are 2ha more that have been recently planted with red & white grenache and carignan.

### Roques Llises

Planted in the early 1970s with grenache and carignan. Crumbling slate. Oriented to the southwest.
